Material Increase of Reccipts in Passenger and Freight Departments.

MILEAGE

INCREASED.

President Yoakum States That Outlook Is Very Bright for Continuation of Heavy Freight Traffic.

In his general remarks on the annual re port of the Prisco, just issued, B. P. Yon-kum, president of the Frisco, says: prosperous condition which has prevailed during the last year in the ter tory tributary to the company's lines continues and an average good crop of form products is assured for the current year. The outlook for an increase in coulproduction is also bright.

"In consequence of the considerable new mlicage opened for truffic during the year the increase in our fixed charges is temporarily somewhat out of proportion to net carnings. The territory served by our new lines is not only productive but is rapidly being developed and is now raising and marketing since the close of both gross and not carnings on these lines were smaller than we shall have in

led during the fiscal year ending June 1983, was \$23.93 miles divided as follows: The total milenge is 155.23, as against 1.12 and for the preceding fiscal year.

As regards the income account, the report shows that, despite heavy outlays for equipment, construction and operation, the net earnings increased \$250,121.75, or 2.7 per cent, over the earnings of the iscal year ending June 20, 1802, Surplus carried forward was \$834,375.00.

STATEMENT OF INCOME.

LINES ACQUIRED. The St. Louis, Memphis and Southeastto Laxora, Ark., 249 miles, with branch lines from Shepler to Hoxie, 121 miles, and from Mingo to Hunter, 46 miles.

In November, 1982, the Frisco acquired the St. Louis and Gulf, which has 155 miles of campleted road and has under construction severity miles additional.

In August, 1992, the C. & E. L. was acquired, and by an agreement with the 15g Four a double track is being constructed from Fana, Ill., 10 St. Louis, over which the Frisco and C. & E. L. have trackage rights for 299 years.

All of the capital stock of the Orark and Cherokee Central and the Shawnee, Oklahoma and Missouri Coul and Railway Company was purchased hast year.

The two roads form a continuous line from Fhyetteville, Ark., to Okmulgee, I. T., a distance of 144 miles. The cost of the stock of the two companies was equivalent to \$1,000 a mile. to Laxora, Ark., 249 miles, with branch

C. & E. I. ANNUAL REPORT. Large Increase in Freight and Passenger Receipts.

The annul report of the Chicago and

\$4,532,688, leaving the net receipts from traffic of \$3,171,759, exclusive of all other receipts and costs, the total net receipts amount to \$3,544,567.90. Deducting the fixed charges a balance of \$341,154.69 is carried to the credit of profit and loss. The increase in gross receipts from traffic amounts to \$1.445.333.93 or 23.94 per cent, as compared with the preceding fiscal year.

The operating expenses were 55.83 per cent of the traffic receipts, against \$5.23 per cent of the preceding fiscal year's re-

ing June 30, 1903, were \$3,171,759, while the net receipts from traffic for the year end-

ing June 30, 1962, were \$2,577,761.
Compared with last year there was an Increase in freight receipts of \$1.315.497 and an increase of \$131.987 in passenger

receipts.

The funded debt of the company was increased during the last fiscal year by 5,09,000 by the issue of general consolidated and first mortgage bonds and by the issue of interim certificates, to be exchanged for general consolidated and first matterns bonds. mortgage bonds.

The cost of the road and equipment was increased during the year \$1,502,336.

Sanitary Commission Delays. The Sanitary Commission will meet in the office of the Board of Public Improvements next Friday afternoon at 2:20. There was no meeting Saturday owing to the inability of Health Commissioner Simon to be present on account of the serious liness of his daughter.

JUST ONE WORD that word is Tutt's, it refers to Dr. Tutt's Liver Pills an

MEANS HEALTH. Are you constipated? Troubled with indigestion? Sick headache?

Virtigo? Insomnia? ANY of these symptoms and many others indicate inaction of the LIVER. You Need

Take No Substitute.
